

Volunteer with Q-Lit

Q-Lit is a small community organisation powered by passion, and right now, most of the work is being carried by just a handful of dedicated people who are stretched a little thin. As we continue to grow, we'd love to see more of our community involved in bringing this amazing festival to life.

By volunteering your time and skills, you'll not only help lighten the load but also play a vital role in making Q-Lit a vibrant, inclusive celebration of LGBTQIA+ stories and voices.

We can also offer mentoring and support in a range of areas, so if you're keen to gain experience in social media, event planning, or other aspects of running a festival, this is a great way to learn while contributing.
