## Overview

Evening Romance is a cosy, adults-only night celebrating queer love, desire, and connection through stories and poetry.

The evening begins with a panel discussing how bisexual and non-binary relationships are portrayed in fiction, followed by a cheeky and heartfelt poetry showcase.

Expect humour, honesty, and a little heat - all shared in a supportive, relaxed environment.

You can simply listen and enjoy - there's no pressure to participate. It's a welcoming space to hear from LGBTQIA+ voices and celebrate the many ways we experience love and intimacy.
